

## **Family and Carers Matter Virtual Event – 15th September**

Are you passionate about carers' wellbeing and value the benefits they bring to both our patients and service? If so, then this is an event for you. Help the Trust design and co-produce a carer's passport by sharing your ideas and best practice.

Demonstrate Trust values and behaviours by getting involved, collaborating and sharing what you know.

The event will be held virtually on Microsoft Teams on Tuesday 15 September 12.30-2:00pm.

To attend the meeting, please RSVP to [yasmin.arshad@swyt.nhs.uk](mailto:yasmin.arshad@swyt.nhs.uk) with 'family and carers matter virtual event' in the subject. You will then receive a calendar invite.
